

16 June 2018

Prof. Harvey Lui
President
International League of Dermatological Societies
London, United Kingdom

Dear Prof Lui,

World Congress of Dermatology (WCD) 2023

On behalf of Suntec Singapore, we are honored to present our bid to host the above convention in Year 2023.

As Singapore's premier exhibition and convention center, Suntec Singapore is centrally located at the heart of Asia's most integrated meetings, conventions and exhibitions hub thus allowing you to have direct access to 5,200 quality hotel rooms, 1,000 retail shops, 300 restaurants, and Esplanade - Theatres on the Bay, one of the world's busiest arts centers. Suntec Singapore's enviable location is further enhanced through its excellent access to public transportation and its proximity from Changi International Airport.

Since Suntec Singapore opened in 1995, we have successfully hosted more than 19,600 events, with the number of delegates ranging from 400 to 16,000. Some of the iconic events hosted include:

- ❑ The World Trade Organisation Ministerial Meeting in 1996
- ❑ Rotary International Convention in 1999
- ❑ 25th World Congress of the Société Internationale d'Urologie in 2000

Suntec Singapore went thru a 12 months modernization program from June 2012 – June 2013. The new building is designed to provide versatility and flexibility in the use of its floor space. Supported by cutting edge technological capabilities, the venue is set to meet the evolving needs of the most demanding exhibitions and conventions.

Additionally, as an award winning venue, Suntec Singapore has constantly been recognized by its peers. Some accolades garnered include being voted as Asia's Leading Conference Centre at the World Travel Awards from 2006 to 2017; Best Convention and Exhibition Centre at the TTG Travel Awards from 2007 to 2016; Best Overseas Conference Centre (Silver Award) at the Meetings & Incentive Travel Industry Awards from 2008 to 2015; Best Business Venue Experience at the Singapore Experience Awards 2009-2011, amongst many others.

Suntec Singapore is recognized as one of the world's leading convention centre, with proven capabilities in handling events of reputable size and prestige. Our rich experience and expertise gained since our inception coupled with our people, who are passionate about their work and dedicated to working with you will ensure that your event is a success. Suntec Singapore is proud to be your partner to help create a successful and memorable conference.

We look forward to welcoming the delegates from World Congress of Dermatology 2023 to Suntec Singapore.

Yours sincerely

Bibiana Lau (CMP)
Senior Director, Sales
