Dear Professor Lui

LETTER OF SUPPORT TO HOST THE 25TH WORLD CONGRESS OF DERMATOLOGY 2023

The Academy of Medicine, Singapore is pleased to offer our support to the Dermatological Society of Singapore in their bid to host the prestigious 25th World Congress of Dermatology (WCD) in Singapore in 2023.

The Academy of Medicine, Singapore is the leading professional body of medical and dental specialists in Singapore. With over 3,500 members, the Academy is devoted to advancing the art and science of medicine in Singapore through postgraduate specialist training; maintenance of high standards of competency; and ethical integrity through continuous professional development as well as dissemination of information and knowledge to the public on matters related to health.

In pursuit of our commitment to medical excellence, we welcome the exchange of ideas and knowledge with the international medical community, promoting ***“Dermatology Beyond Borders: Science – Care – Communities”*** at this meeting.

With a target of 8,000 delegates, our vibrant and dynamic dermatology community will play a vital role in working closely with world’s leading dermatologists to feature breakthroughs and advances in Dermatology, ranging from clinical practice to research, technology and innovation in this meeting. There will be many excellent opportunities for experienced clinicians as well as young dermatologists to interact and share knowledge as well as form professional collaborations.

Being a modern metropolis and a gleaming city-state, Singapore has a long tradition and is renowned for hosting international meetings. Our modern hotels, communications network, convention facilities and management expertise are first-rate. Strengthened by an exceptional location, a dynamic business hub with world-class conference facilities and multitude of local attractions coupled with our excellent infrastructural security and safety, Singapore is poised to ensure a successful 25th World Congress of Dermatology 2023.

We hope to have the pleasure of welcoming the attendees of WCD in Singapore in 2023 – an exceptionally enriching and exciting experience for the delegates and a congress that will break barriers to advance dermatology around the region and beyond.

Yours sincerely
